## HP-UX System & Network Administration I

**Duration: 5 Days**    **Course Code: H3064S**

---

### Overview:

This hands-on course is the first of two courses that prepare system administrators to successfully configure, manage, maintain, and administer HP-UX servers in a networked environment. Emphasis is on configuring file systems, peripherals, and user accounts, as well as managing and configuring core OS, patches, and application software. Successful completion of HP-UX System and Network Administration I and II will help in preparation for the HP-UX Certified System Administrator (CSA) technical certification. The 5-day course is 50 percent lecture and 50 percent hands-on labs using HP servers.
