

Portfolio Management Professional (PfMP)

About the PfMP

Your organization does the work right. But does it do the right work? As a portfolio manager, your role is essential to ensuring that the answer is “Yes.”

Formal portfolio management is the most effective way to implement strategic initiatives because it bridges the gap between strategy and implementation. Organizations that are effective in portfolio management had 62 percent of products meet or exceed expected ROI according to our 2012 *Pulse of the Profession* research. Portfolio managers align projects, programs and operations with strategic objectives, investing resources in the right work to deliver the expected value.

The Portfolio Management Professional (PfMP)[®] signifies your advanced competency in the coordinated management of one or more portfolios to achieve strategic objectives. As a PfMP, you'll be recognized for your pivotal role in the realization of strategy and seen as an authority who can improve portfolio management maturity at your organization.
