

LPIC-3 300: Mixed Environment

Duration: 5 Days

Course Code: LPIC-3

Overview:

The LPIC-3 certification is the culmination of LPI's multi-level professional certification program. LPIC-3 is designed for the enterprise level Linux professional and represents the highest level of professional, distribution-neutral Linux certification within the industry. Three separate LPIC-3 specialty certifications are available. Passing any one of the three exams will grant the LPIC-3 certification for that specialty. The LPIC-3 300: Mixed Environment certification covers the administration of Linux systems enterprise-wide in a mixed environment.

Target Audience:

IT professionals, and career changers seeking to be internationally recognized as professionals and to explore job opportunities in Linux and Open Source.

Objectives:

- Have several years experience with installing and maintaining Linux on many computers for various purposes
- Have integration experience with diverse technologies and operating systems
- Have professional experience as, or training for, an enterprise-level Linux professional. (This includes experience as a part of another role.)
- Know advanced and enterprise levels of Linux administration, including installation, management, security, troubleshooting and maintenance.
- Be able to use open-source tools to measure capacity planning and to troubleshoot resource problems.
- Have professional experience using LDAP to integrate with Unix services and Windows services, including Samba, PAM, NSS, Active Directory.
- Be able to plan, architecture, design, build and implement a full environment using Samba3, Samba4 and LDAP.

Prerequisites:

- The candidate must have an active LPIC-2 certification to receive LPIC-3 certification, but the LPIC-2 and LPIC-3 exams may be taken in any order

Testing and Certification

This course will prepare delegates to write the LPI Linux Essentials Exam 300-100.

Successfully passing this exam will result in the attainment of the The LPIC-3 300: Mixed Environment certification
